Sixteen IL-10's left Stendal-Borstel airfield between 1000 and 1300 hours on
6 January, flying in an easterly direction. According to rumors, the ground
attack regiment stationed at the field was scheduled to be transferred.

Comment. Considering the recent transfers of the ground attack regiments
from Dessau and Doeberitz to Brandis and Alt-Loennewitz respectively, it appears
possible that the ground attack regiment from Stendal-Borstel will also be
transferred.
